

ONYX-E 4900 INK

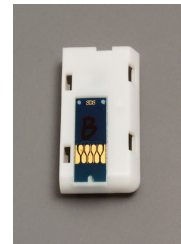

EPSON 4900 COMPATIBLE

ONYX-E 4900 Ink Cartridge two piece system:

- 220mL Black ink single use inner tank
- Individual resettable outer cartridge shell in colors: (Photo Black, Light Black, Light Light Black, Matte Black, Cyan, Magenta, Yellow, Light Cyan, Light Magenta, Orange and Green)

220mL Black Ink single use tank

Resettable color chip insert

Chip resetter device

TECHNICAL DESCRIPTION

The EPSON 4900 is an 11 color printer. The system we use will print Black through all 11 heads. To use, snap the resettable color chip insert on to the 220mL Black ink single use tank and insert into corresponding cartridge bay. Once depleted, remove the color chip insert, dispose of the 220mL Black ink single use tank and replace with a new one. *(Note: Reset color chip insert by using the chip resetter device)*
